Responsibilities of the students

The roles and responsibilities presented hereunder can be used as a reference guide when preparing students for work placements.

Responsibilities prior to placement

Prior to the work placement, students should:

- communicate to the Cambridge Technical IT educator any special requirement they may have for the placement.
- ensure that all the necessary forms are filled out and signed by all relevant parties.
- keep to hand the Cambridge Technical IT educator contact details.
- meet with the workplace supervisor before commencing the placement.
